École Saint Thomas is a Catholic School that offers a total French Immersion program from Kindergarten to Grade 7.

The staff at École Saint Thomas are dedicated to providing a Catholic education in French. We provide cultural activities and have a library that is well stocked with both French and English books.

Our school community includes children from both the city and the surrounding area.

We are pleased to have an active School Community Council who work to support student learning and well being. As part of our council, we have the Canadian Parents for French (CPF), a special status committee, whose mandate is to support French language and culture. Our School council and CPF provides support for the school and the families involved in French Immersion Programming. We encourage all our parents to participate actively in our School community council and its committees.
